Our firm

Established for 20 years, Vincents Chartered Accountants is an Australian firm of accounting experts and business advisers specialising in insolvency & reconstruction, forensic accounting, forensic technology, corporate advisory, taxation & business solutions, financial advisory and executive search & selection.

Our locations

Vincents has offices in Brisbane, Sydney, Canberra and the Gold Coast. Our Insolvency & Reconstruction specialists are equipped to handle any insolvency matter within the eastern states of Australia.

Our people

Vincents uniquely focuses on maintaining solid teams of diverse and highly skilled experts. We work hard to develop professional staff with strong personal qualities and a dedicated work ethic.

In addition to their primary specialisations, our staff also possess a high degree of skill flexibility. This enables us to mobilise the best possible team in response to your individual needs.

As a Vincents client you can expect:

- access to superior skills and experience;
- open and direct communication; and
- cost-effective, time-efficient delivery of services.

Vincents invests considerable resources to ensure the Firm and our staff have access to the industry's leading technologies and IT know-how. The Forensic Technology division is ready to assist Vincents' Insolvency & Reconstruction division with engagements requiring complex electronic intelligence and data transaction analysis.
